

KNOWLEDGE TEST

As with all of the games in the Sierra Discovery Series, **Lost Secret of the Rainforest** was designed to entertain your child while he or she learns. In fact, we, **guarantee** that your child will learn new things by playing **Lost Secret of the Rainforest**. To prove the point we've included a Knowledge Test to demonstrate some of the things your child has learned by playing this game..

When your child has completed the Knowledge Test, please mail it back to us and your child will be eligible for membership in the **Sierra Discoverer's Club**. Membership is **absolutely free**, and entitles each member to a Sierra Discoverer's membership card, a Certificate of Achievement for playing this Sierra Discovery Series game, and discounts on future purchases of other games in the Sierra Discovery Series.

If for any reason you are not convinced of this game's learning value, or if your child doesn't have fun playing it, we **guarantee** a full refund of your purchase price. Simply send us your receipt, along with the game and documentation, and a brief note telling us why you were not happy with the game.

1. Which of the following is NOT true:
 - a. 1/2 of the world's medicines have been developed from rainforest plants.
 - b. The rainforest is only 7 percent of the Earth's land, but is home to half of all living species.
 - c. The water in many rainforest rivers is brown because of pollution.

2. Crops planted in rainforest soil don't grow well because:
 - a. The soil is too wet.
 - b. There are too many bugs.
 - c. The soil is poor in nutrients.

3. Most life in the rainforest is found:
 - a. In the canopy.
 - b. On the forest floor.
